FOR IMMEDIATE RELEASE
FEBRUARY 4TH, 2023

ECLIPSE MEDICAL CENTRE
The Attack on Eclipse Medical

LOS SANTOS, SA, 2/4/23 – The Major Crimes Division and the United States Marshal service have been conducting a joint investigation in regards to the attack on Eclipse Medical Centre. At this time we'd like to give an update about the incident to the citizens of San Andreas.

At this moment of time we can inform the citizens of San Andreas that we have found some persons of interest that may have conducted this act of

terror. However we cannot disclose any name or description of the suspects until the investigation has concluded.

We have evidence to believe the suspect made their way to the roof of the building where the initial fire was started.

The United States Marshal service & the Major Crimes Division would like to remind the citizens of San Andreas to stay away from the area as it is still dangerous, and investigations are still being conducted.

If you have any information regarding the incident, please contact the Major Crimes Division as soon as possible. If none are available, please provide these statements to the San Andreas Police Department. If you are uncomfortable coming forward with this information, we do have an anonymous tip line available [here](#).

As a final statement, we'd like to thank the Eclipse Medical Service, Los Santos Police, the State Troopers, and the Blaine County Sheriff's Office for the continued joint effort on this investigation.
