[November 6, 2023]

FOR IMMEDIATE RELEASE

The Judicial Branch has presented documented concerns and evidence to the State Legislature to consider as grounds for Articles of Impeachment. We will follow the process as outlined by the Constitution of the State of San Andreas.

In the meantime, Circuit Judge Kinsley Photopoulos (née Murphy) will be suspended from her duties in the Judiciary until such a hearing can be scheduled and concluded. No further comment from the Judiciary at this time.
