**ARTICLES OF IMPEACHMENT: STATE REPRESENTATIVE JUSTIN LEE**

**Rockford Hills (City Hall)** – Today, Representative Jacob Wheeler filed Articles of Impeachment against Representative Justin Lee. The Legislature has voted to proceed with the process of impeachment.

The San Andreas State Constitution grants State Representatives the “sole power of Impeachment” as they are “the only body that can pass Articles of Impeachment” against government officials who offend the state, “either by mal-administration, corruption, or violating the Constitution, which the safety of the State may be endangered.” Justin Lee was elected to serve the people of San Andreas with the implied promise to uphold the responsibilities of his office, including drafting and submitting legislation, participating in weekly legislative meetings, casting votes, and engaging in constituent outreach, among other duties. Therefore, the Legislative Branch has put forth Articles of Impeachment against State Representative Justin Lee for neglecting to submit or draft legislation, for numerous absences at both meetings and during voting, and for a general lack of active participation.
