
Press Release:

FOR IMMEDIATE RELEASE: Thursday, July 4th, 2024

With a heavy heart, I write to formally announce my resignation from my position as State Representative in San Andreas, effective immediately. This decision has not been made lightly, but after careful consideration and reflection, it is the best course of action for my well-being.

Serving as a State Representative has been an honor. However, the demands and stresses of the role have significantly affected my mental health. To continue to serve effectively, I must first prioritize my well-being. The responsibilities of this position require a level of dedication and energy that I cannot sustain without compromising my health.

As I step down, I am committed to ensuring a smooth transition. I will actively work to pass the initiatives and projects I have started to my successors. While I will no longer serve in an official capacity, I remain passionate about the future of our legislature and will continue to support its efforts.

I look forward to the upcoming special election and am confident that the next representative will carry forward the work we have begun. Although my role will change, my commitment to our community and the values we stand for remains steadfast. I am open to collaborating with my successors and offering any assistance or guidance they may need.

Thank you for the support, trust, and encouragement you have provided me during my time in office. I am grateful for the opportunity to have served and look forward to contributing to our community in new and meaningful ways.

Warm Regards
Astra Lillegård-Marino
