Rockford Hills (City Hall) - After eight months of dedicated service, Br. Jeremy and I are preparing to conclude our tenure in the Executive. We are deeply grateful for the trust placed in us by the people of this great state. It has been a tremendous honor and an absolute joy to serve the people of San Andreas and collaborate with its department heads.

During our time in office, the Lighthouse Party remained steadfast in our commitment to stability, transparency, and meaningful progress. From establishing Día de los Muertos as a new state holiday to overhauling the structure of our standing committees, we have strived to fulfill our responsibilities to the highest standard.

As we prepare to transition out of our roles, it is with a mix of pride and bittersweet reflection that we pass this tremendous responsibility to Tommy Merlin and Nathan Windwalker. We wish you the very best on this journey. It is not a task to take lightly, but one to embrace with the honor and reverence the office demands.

Though our term is ending, we remain committed to the future of San Andreas — and will continue to support its growth and prosperity in new ways.

Last but not least to Wyatt McKenzie, Winifred Baker, and Eli Ambrosia, we would like to thank you three who have guided and supported us throughout these two terms, we would not be what we are without you.

With gratitude,

Dr Jax Hendix

Lt. Governor

On behalf of the Lighthouse Party
