FOR IMMEDIATE RELEASE:

## BCSO & BS© Launch Skateboard Design Contest

Citizens of San Andreas,

**Blaine County, SA** - The Blaine County Sheriff's Office is excited to announce our collaboration with Backside Skateboards to bring an uncommon opportunity to local artists, community members, and skaters alike. We are officially announcing a competition to design the BCSO's newest custom skateboard, and we are inviting the people of San Andreas to submit their original artwork to be featured on our new board!

This competition is part of our continued efforts to bridge the gap between law enforcement, the residents of the county we are trusted to protect, and the communities throughout. One winner will be selected, and their design will be featured on our new board! The designer of the winning board will be rewarded with a cash prize of **\$75,000** and **will** receive one of the boards themselves, at no cost! We urge all citizens, regardless of artistic experience, to submit their designs for consideration.

We are looking for designs of all kind, and urge citizens to submit what they believe represents our department, our county, and/or our dedication to the residents of Blaine County. AI submissions will not be considered.

Direct all queries in regards to this competition to Lieutenant Seth Kennedy and Lieutenant Alejandro Garcia. The deadline for all submissions will be **August 8th, 2025**.

Respectfully,

A handwritten signature in black ink that reads "Seth Kennedy".
