PRESS RELEASE
Date: October 2nd, 2025

Vinewood Police Station
69 Elgin Avenue, Vinewood
Los Santos, San Andreas

For Immediate Release:

On October 3rd 2025, the Los Santos Police Department, Blaine County Sheriff's Office, and San Andreas State Police will officially merge into a single unified agency: the San Andreas State Police. From that date forward, all sworn in personnel will be referred to as Officers.

To reflect this new chapter, the department will adopt black and gold uniforms, representing pride, honor, and resilience. Vehicle liveries will also be updated to match the new uniform colors, ensuring a consistent and recognizable identity across the state.

All current cadets will be formally sworn in as Officers, and all personnel already holding the rank of Officer or above will be grandfathered into their positions.

Until the official transition date, operations within the Los Santos Police Department, Blaine County Sheriff's Office, and San Andreas State Police will continue as normal.

This historic merger represents a major step in uniting law enforcement resources, personnel, and expertise under one banner to provide consistent and effective service across the state.

Sincerely,

Gabriella Kennedy
