La Fuente Blanca – Welcome to a sizzling Pride month and election season, San Andreas! Please do what you can to stay safe and hydrated during this unprecedented drought.

I write to you in response to a press release. Following my registration for this election as an Independent, former Governor Jeremy Barbant provided a statement about our parting of ways.

When I joined Mr. Barbant's political party four months ago, I promised to commute the sentence of any individual given the Death Penalty during my term. Unfortunately, I could not hold true to that vow in the case of Ms. Victoria Sin'Clair.

Sin'Clair— while serving a life sentence in Bolingbroke Penitentiary— murdered, mutilated, and partially cannibalised a fellow inmate. While in court, self-representing and in sound mind, Ms. Sin'Clair showed no remorse for her actions, mocked the victim's remains, and threatened involved members of law enforcement. Through her conduct, it became clear that if given the opportunity, she would repeat these actions as many times as she could.

I felt that commuting Sin'Clair's sentence would co-sign future harm for other inmates, members of the Department of Corrections, law enforcement, and the state at large. As I told Jeremy at the time, I do not regret my choice, even if it means leaving the party. I broke my promise to the Lighthouse Party for the greater good of the people of San Andreas.

Sincerely yours,

Bellarosa Muratori

Bellarosa Muratori

Governor of San Andreas
